INDIGO MOSAIC TABLE
LAMP-\$998.00

18"L x 18"D x 26"H

Naturally stunning the Indigo Mosaic table lamp is a work of art all on its own. The elevated elements of this unique lamp come together perfectly: hand carved scallops, created out of recycled bone, the deep rich indigo finish, the accented mosaic finish by multiple tones of blues, and the natural linen drum shade to complete the modern and coastal look.
