SAFFI LAMP

20"L x 20"D x 28.5"H

With its lovely grainy textures and incredible malleability, weâ€™re falling in love with terracottaâ€™ even as a material for our lamp bases. The Saffi Lamp is unique in its heavy clay texture, hand-etched carvings, and the slightly imperfect nature of its hand-thrown construction. To accentuate all the handmade details, potters finish the piece with a shadow gray glaze that really pulls out its strong features. It is topped with an off-white linen drum shade. Finish may vary.
