VICKERS SIDE
TABLE-\$1,175.00

22"L x 22"D x 18.5"H

Our Vickers Side Table is a paradigm for natural sophistication. A thin piece of rattan pole is wrapped continuously around the polyresin frame to create the hourglass shape. The top features an antique brass disk inlay that adds a striking yet subtle element to the natural finish of this organic piece. Crafted from naturally durable materials, this side table is also quite steady so adding a glass top is optional but not necessary for function. Rattan may vary slightly in color. ☒
