ELDON TABLE LAMP-\$839.00

18"L x 18"D x 28"H

The rich textures in this porcelain lamp are created by hand and skill of artisan potters. After the porcelain is formed, they take small clay combs and create all the etchings, which is why, up close, you'll notice slight organic details. The provincial blue glaze only adds to the textures and has a slight crackling where etchings are absent. Topped with a drum shade in white linen with cotton lining and an acrylic ball finial. Glaze finish may vary.
