**MEDIUM GREEN URCHINS**  
**VASE-\$735.00**

13"L x 13"D x 16"H

Our Medium Green Urchins Vase is made by a group of elderly women who live at the border of Burma and Thailand. The black terracotta vase has a white glazing and tiny green leaves, each applied by hand to the side of the vase. This vase is truly an artisanal piece, as each leaf is hand-glazed with a very subtle green glazing
