BLACK AND WHITE LINES
BOXES-SM\$182.00-LG\$242.00

The chic pattern on our Black and White Lines Boxes is created when composite is painted and hand-cut, the material then overlaid on a Mango wood structure. The contemporary feel of these decorative boxes is a new approach of contemporary design in handicrafts in India. These white and black boxes, which come in a set of two, will bring a polished gleam to any room in which they are placed
