"FORD EDEL"-\$2,475.00

51"L x 2"D x 43"H

Many US cars of the 1950s and 60s shared the characteristics of the airplanes of the era. The Ford Edsel was no exception, and its lines, fins and curves look stunning here, framed out on the salt flats. It's a truly iconic piece of automobilia and a masterpiece of engineering. ☒
