

**STYLE # 102571**  
**ROMEO CONSOLE**  
**TABLE-\$2,485.00**

52"L x 16"D x 32"H

The Romeo Console Table has an interesting bowed silhouette, but its unexpected allure resides on its top. Applied to a brushed ivory white wood frame, panels of ivory hair-on-hide leather seamlessly blend to create a pale composition with an unexpected choice of materials.
